

# Energy Meters at the Library

Borrow an energy meter  
and measure the amount  
of energy consumed by  
your appliances!

*Save up to  
10-20% on your  
electric bill, while  
helping protect our  
environment.*

Energy meters, complete with instructions for use can be borrowed for 1 week, no renewals. There is a \$1 a day fine for late returns.

To place a hold, use the Library catalogue to find “energy meter” and request the first available meter or ask our staff at the Information Desk to place a hold for you.
